EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The legislation will require the agency to make changes to its database and its policy and procedures manual. The agency will be able to provide for these changes within its existing budget.

REVENUE EXPLANATION

Exempting registered antique vehicles that are 25-39 years old from motor vehicle inspections will have a minimal impact on motor vehicle fees. Owners of these vehicles currently pay a \$10 annual inspection fee. This legislation would exempt these vehicles from having to pay this fee. The Office of Motor Vehicles cannot identify the number of registered antique vehicles that are 25-39 years old. The agency reports that it has a total of 5,899 antique vehicles currently registered.
